## Chapter 1 by K4r7h

Jason and Ryan woke up in a forest.

Ryan said "Jason? Are your eyes supposed to be red?"

"Yours are green!" Jason replied.

Jason and Ryan sat down. Where are we? they thought. Jason smashed a tree. It lit on fire.

"Whoa! howdya' you do that Jason?"

"I don't kno-"

A loud sound boomed across the forest.

"Ryan, did you do that?"

"No! I don't think I did."

"What is going on?"

A man with three eyes came along.

"What are you doing here idiots?," said the man

"Who are you and why do you have three eyes?" Jason said, shivering

"One thing, if you see people with white eyes and they have their fist at you, run!" screamed Ryan.

"Yes, you did Ryan! Based on some facts (that there was no reason that he could of found out) we are in an elemental world, which might be a parallel universe or a fictional reality or more likely known as a dream,"

Ryan slapped him. "Just shut up. Shut up," said Ryan.

Suddenly, another person appeared 3 feet above the ground. He faceplanted into mud and winced in pain.

"Who are you?" Ask Jason.

"I'm Leo. Where am I, and who are you?"

"I am Jason, this is Ryan. We do not know exactly where we are, but it is some elemental world."

"Dude, your eyes are gray," Ryan barged in.

"Well, yours are red and green."

"Fire red, ground green, air and space grey." Jason announced.

"Wait, so I control air and space?"

"I guess," said Ryan

"So, what do we do now?" said Jason

"Go down that path behind you," a random voice said.

"I guess s-, wait what? Who said that?"

"I dunno, but let's just go down the path anyways.."

"Ok."

## Chapter 2 by Nathan Peacock

The path was was long, they could not see the end of it. They were walking as the wind was blowing against them.

"This wind is powerful!" said Jason.

"I feel a ton of wind too." said Ryan.

"Really? I don't feel any wind... because i'm using it as a shield!" said Leo.

"Seriously!?, why are you doing that!" Ryan and Jason said.

"Jinks! you owe me a soda!" they both said.

"Can you guys calm down you guys both owe me a soda." said Leo

"What?!" They both said

"You guys tied and I'm the only one who can untie it!" said Leo

"No way!" Ryan and Jason said

"Jinks!!" They said

"Can you guys calm down, we have other things to focus on," said Leo

"Yeah sure" said Jason.

They entered the forest forgetting about the argument they had, and that they knew something was going to happen.

The forest was light, not scary at all. They walked through along the path and heard a quiet echo "Mace of darkness" is what they heard.

"Did you guys hear that?" said Ryan.

"Yeah, lets check it out!" said Jason.

"Okay, sure" said Leo.

They ran down path with wonder, what was over there, who is over there? They stopped on the path amazed at what they saw.

"A giant stadium!!" said Jason.

"I'm going in!" said Ryan.

"Wait for me!" said Jason.

Leo was still standing outside the stadium admiring it. He couldn't wait anymore he ran after them

"I'm coming with you guys!" said Leo.

The stadium was bigger on the inside than the outside. There was a black eyed person flying in the air fighting a white eyed person on the ground surrounded by a cloudy shield.

"OMEGA BLAST OF SHADOWS!!" said the black eyed guy.

"LIGHT OF HEAVEN!!" said the white eyed guy.
